AN UNBREAKABLE THREAD TIES YOU TO YOUR DESTINY.

THIS THREAD TURNS YOUR IDEAS INTO A PULSE OF INTENSE EMOTIONS, DRIVING YOU TOWARD THE FINISH LINE—A JOURNEY BOUND BY PASSION. IT IS HERE THAT THE SOUL IS IGNITED AT EVERY TURN. THIS ISN'T JUST A DESIRE; IT'S THE MAGNETIC FIELD OF YOUR WILDEST VISION. AN ATTRACTION SO STRONG THAT YOU CAN'T HELP BUT EMBRACE IT. THIS IS THE POWER OF ATTRACTION, THE DRIVING FORCE BEHIND ANY SUCCESSFUL JOURNEY.

Our global range of cars and product specifications varies from country to country. Please, visit your local CUPRA website to know more about the product offer available for you.

BEAUTY

Attraction is the catalyst for beauty, the prelude to admiration. Just like a symphony that captures all of your senses, leaving nothing but you and the resounding harmony. In it lies this craft: each detail, each sensation, everything is a testament to beauty in motion. For us, this is about you, the driver. Although your emotions can sometimes distract you, we strive to transform them into a driving force that keeps you moving forward.

Our global range of cars and product specifications varies from country to country. Please, visit your local CUPRA website to know more about the product offer available for you.

EXTERIOR STYLING
CUPRA LEON

FRONT BUMPER REVOLUTION

Explore a reimagined front-end with redesigned air intakes, featuring a new bumper and grille with an integrated logo for a sleek, powerful statement.

A NEW PATH AHEAD

The 19" Hailstorm forged wheels complemented by performance brakes, delivering exceptional braking efficiency, and ensuring every journey is smoother, sharper, and more precise.

INTUITIVE LIGHT REVEALED

Illuminate your path with CUPRA integrated infinite light, enhancing your visibility with our organic 3D logo design and adaptive beams.

Our global range of cars and product specifications varies from country to country. Please, visit your local CUPRA website to know more about the product offer available for you.

EXTERIOR STYLING CUPRA LEON SPORTSTOURER

BRING THE ROAD CLOSER

Embodies pure power fused with the latest tech. With its robust engines, autonomous drive features, and available CUPRA Matrix LED Lights, it assures a dynamic and sporty ride and a thrilling and memorable journey.

SPORTY AND MORE

For those who demand a sporty performance. Experience thrilling enhancements with increased horsepower and extended electric range that ensure an exhilarating journey. Offering up to 1650 liters of boot space, this vehicle is designed for you to pack more and explore further.

Our global range of cars and product specifications varies from country to country. Please, visit your local CUPRA website to know more about the product offer available for you.

INTERIOR STYLING

12.9" TOUCH SCREEN: BIGGER SIZE, BEST EXPERIENCE

Our 12.9" touch screen system combines tactile feedback with illuminated commands for a vivid display. You can easily access the information you need in three panels.

THE INTUITIVE CONSOLE

Newly redesigned console and dashboard with parametric design and advanced functions. A parametric moulding surface enhances the tactile and visual quality of the instrument panel.

AMBIENT ELEGANCE

The interior ambient lighting creates an atmosphere of sophistication, enveloping your dashboard, door panels, and interior spaces in adjustable colours for every mood. It offers soft, customizable illumination that transforms the cabin space.

POWER

They say there’s a virtuous circle where a strong drive leads to a powerful destiny. But what is it about this powerful drive that seems so inviting? It’s like the magnetic pull of masterful engineering—a force so captivating, one must not leave. Within lies the essence of driving: a desire to command the road with an energy so electrifying that there is no other choice but to start the car and press the accelerator.

Our global range of cars and product specifications varies from country to country. Please, visit your local CUPRA website to know more about the product offer available for you.

CUPRA LEON SPORTSTOURER

THE HIGHEST PERFORMING SPORTSTOURER

CUPRA's most powerful Sportstourer with Torque Splitter yet combines unrivaled power and agility with a sleek exterior design, featuring logo-incorporated rear lights and an expanded boot capacity.

Our global range of cars and product specifications varies from country to country. Please, visit your local CUPRA website to know more about the product offer available for you.

AN UNRIVALED TORQUE SPLITTER

Through multi-disc clutches, the Torque Splitter distributes torque independently to each rear wheel, enhancing traction and handling. When engaged in "Drift" mode, the Torque Splitter maximizes rear axle slippage even with 4Drive all-wheel drive, ensuring dynamic driving.

EFFICIENCY AMPLIFIED

Discover the flexibility of CUPRA's innovative charging solutions, created for both public and home use. With the My CUPRA app, you hold the power to manage your charging remotely, right from your palm.

E-HYBRID: PICK YOUR POWER

Experience the CUPRA Leon e-HYBRID, offering complete freedom to switch between pure gasoline power and full electric drive.

PUBLIC CHARGING ACCESSIBILITY

Recharge your Leon easily with a growing network of charging stations in city centres, suburbs and beyond. Using the My CUPRA app, you can effortlessy control remote charging, stay informed with real-time insights and authorize public chargers whenever you need.

HOME CHARGING SOLUTIONS

Enjoy convenience with CUPRA's home charging solutions via the My CUPRA app. Remotely manage your charging, oversee your home charger and be always ready to go.

CUPRA CHARGER 2

The CUPRA Charger Connect 2 ensures your Leon is powered swiftly and safety, covering the maximun charging capacity of your CUPRA up to 11kW AC*, without overloading your home's electrical system thanks to our chargers adavaced technology.

Our global range of cars and product specifications varies from country to country. Please, visit your local CUPRA website to know more about the product offer available for you.

* The Charger is able to reach powers of up to 22 kW covering the maximum charging power of your CUPRA.

INNOVATION

Innovation is challenging the status quo with cutting-edge technology. For us this is a declaration of independence from the ordinary, embracing change as a journey to excellence. This model is a testament to those who dare to be different, merging advanced tech with thrilling performance. Claim your place in the driver's seat and steer towards a future where every drive is an extraordinary experience.

PERFORMANCE & TECHNOLOGY

CUPRA MATRIX LED VISION

The CUPRA Matrix LED lights not only improve safety and visibility, but also welcome you with a symbolic illumination each time you unlock your car. This makes every approach an occasion, and you the honored guest of your own vehicle.

SENNHEISER™ IMMERSIVE SOUND SYSTEM

Surrender to the acoustic brilliance of Immersive Sennheiser™ immersive Sound System, with a symbolic of 11 speakers plus one subwofer surrounding you in sensational soundscapes.

INTELLIGENT PARK ASSIST PRECISION

Intelligent Park Assist makes every parking manoeuvre a showcase of precision and ease.

SATELITES WHEEL ASSERTION

Command your CUPRA LEON with the CUPRA Steering Wheel with Satellites, blending relaxation with the thrill of choice between manual flair and automatic ease. Our satellite buttons allow you to access a full range of driving functions without lifting a hand from the wheel.

CHARGE FASTER, DRIVE SAFER

The new wireless charger now features MegaSafe technology to keep the phone in place while you drive, preventing excessive movement and disconnections, and delivering faster charging performance.

Our global range of cars and product specifications varies from country to country. Please, visit your local CUPRA website to know more about the product offer available for you.

SAFETY

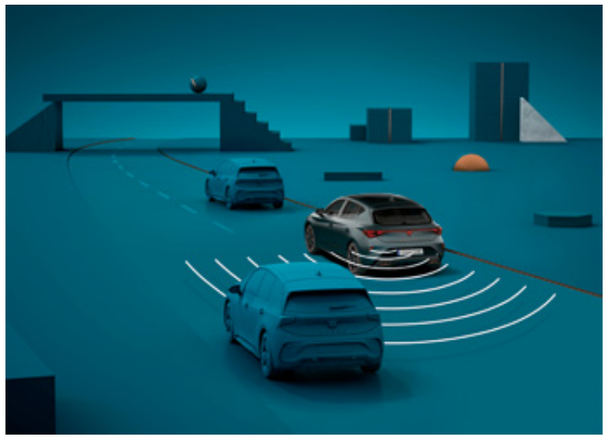

PREDICTIVE ACC

Advanced Predictive ACC in the CUPRA Leon forecasts the road ahead, adapting speed intuitively for curves, signs, and intersections. This provides you with a smooth and comfortable ride, making every journey safer and more enjoyable.

SIDE ASSIST & EXIT ASSIST

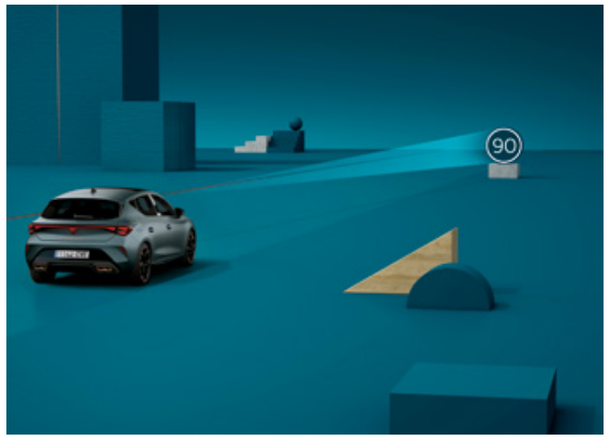

Rely on the vigilant Side Assist & Exit Warning for a safer lane transition and secure exits amid busy surrounds. A security layer like this adds an extra layer of peace of mind to your drive.

PRECRASH

In the CUPRA Leon, the Pre-crash system proactively protects you by tightening seat belts and closing windows after anticipating potential hazards.

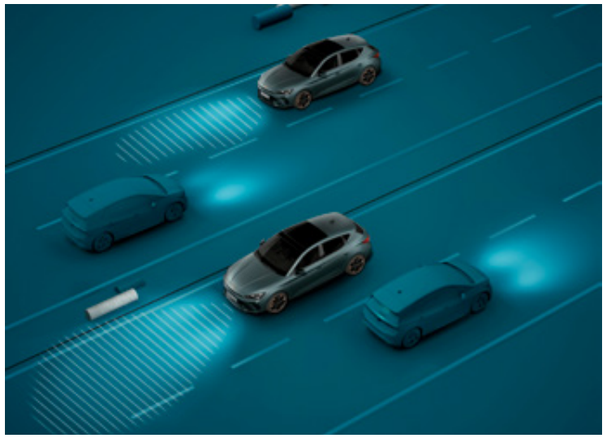

TRAFFIC SIGN RECOGNITION

With Traffic Sign Recognition, the CUPRA Leon enhances your driving intelligence by detecting and projecting essential traffic information onto your dashboard, notifying you of speed limits and road signs, and automatically adjusting your speed based on the signs it reads.

LIGHT ASSIST

Light Assist in the CUPRA Leon makes your nighttime drive less daunting and more delightful. As if you had a vigilant co-pilot, your path is illuminated. The system automatically adjusts the headlight beams to provide optimal visibility, ensuring a clear view of the road ahead.

Our global range of cars and product specifications varies from country to country. Please, visit your local CUPRA website to know more about the product offer available for you.

UPGRADES

EDGE

The EDGE suite in the CUPRA Leon epitomizes modern driving elegance. Keyless advanced and an alarm system offer seamless access and security, while ambient lighting and comprehensive rear vision enhance your driving environment. Adding to the suite's convenience, the SPORTSTOURER features the Virtual Pedal, allowing you to open the boot hands-free without reaching for your keys.

Our global range of cars and product specifications varies from country to country. Please, visit your local CUPRA website to know more about the product offer available for you.

SENNHEISER™ IMMERSIVE SOUND SYSTEM

Experience auditory bliss with Immersive by Sennheiser™ immersive Sound System, exclusive to the CUPRA Leon. This premium sound system envelops you in a rich tapestry of sound with its 11 speakers and a powerful subwoofer, creating a concert hall on wheels where every note and beat is a celebration of pure sound.

SKYLINE

The Skyline feature invites the outside in, with a panoramic sunroof that bathes the interior in natural light. At the touch of a button, it opens up to reveal the sky, transforming your cabin into a tranquil sanctuary where light and space converge.

UPGRADES

INTELLIGENT DRIVE

CUPRA Leon stands at the pinnacle of automotive intelligence, featuring the most disruptive assistance systems, including Intelligent Park Assist, Navigation, and Pre-Crash technology. This suite of advanced safety tech, is powered by a multifunction camera, Adaptive Cruise Control, Lane Keeping, and a live dynamic road sign display.

PURE PERFORMANCE

Experience the radiant beauty of Pure Performance, where the CUPRA Matrix LED technology guides you with clarity and style.

EXTREME

Enjoy the thrill of the EXTREME upgrade with performance brakes plus the CUPRA Matrix LED headlights. This upgrade also features an exclusive interior design with dark chrome details, and CUP bucket seats. This is complemented by a dedicated interior in Enceladus Grey Matt. CUPRA's commitment to excellence is embodied in this meticulous combination of style and performance elements, including a side skirt and roof spoiler that enhances the vehicle's aesthetics and driving dynamics.

BLACK EDITION

Black dresses everything and makes a daring expression wherever you go. Just check these dark-toned alloy wheels, the side blade and the roof spoiler... Anything but ordinary.

Our global range of cars and product specifications varies from country to country. Please, visit your local CUPRA website to know more about the product offer available for you.

VZ TCR

PURE RACING DNA

This model is a bold expression of what happens when racing meets driving precision. Its design is defined by distinctive details, including Dark Chrome logos, Custom black wheels and black decals, alongside the rear TCR logo, roof spoiler, front splitter, side skirts and diffuser. Together, these elements reinforce its aerodynamic design, sporty look and race-inspired DNA.

PURE POWER BORN FROM THE TRACK

Engineered with racing DNA, this special edition of the CUPRA Leon VZ features the most powerful engine ever fitted to this model, delivering 325 HP (239 kW), 0–100 km/h in 5.4 seconds and an electronically unrestricted top speed. This translates CUPRA Racings' DNA into a car designed for everyday thrill.

PURPOSEFUL INTERIOR DESIGN

The interior reflects its sporty spirit. Featuring CUP bucket seats, 4-point harnesses, removable rear seats and a rear strut bar—all designed exclusively for circuit use—the CUPRA Leon VZ TCR creates a focused driving environment.

Our global range of cars and product specifications varies from country to country. Please, visit your local CUPRA website to know more about the product offer available for you.

TRIBE EDITION SENNHEISER™

TWO BOUNDLESS DESIGNS, REIMAGINED

The CUPRA Leon and Sportstourer from the Tribe Edition keep their striking performance while elevating the design—without losing the thrilling CUPRA DNA. Enhanced by an exclusive Sennheiser™ collaboration, the edition brings design and sound together in perfect harmony, from the unique grey and black upholstery to the distinctive “Tribe Edition” detail on the B-pillar.

ECO DESIGN

The Tribe Edition reimagines its signature upholstery in a sophisticated neutral palette of grey and black. The seats keep their distinctive design and are crafted 3D knitting tech that creates a seamless harmony of design and texture without the need for cutting and sewing.

ENHANCED SONIC EXPERIENCE

This edition features the Sennheiser™ Sound System, elevating the driving experience of the Leon 5D/SP with an engaging sonic atmosphere. Through this collaboration, Sennheiser’s expertise is perfectly in tune with the vehicle, delivering rich, detailed sound on every journey. A powerful new dimension where music and the CUPRA DNA merge in total sync.

Our global range of cars and product specifications varies from country to country. Please, visit your local CUPRA website to know more about the product offer available for you.

CUSTOM
CUPRA BY ABT

UPGRADED PRESENCE

Transform your CUPRA Leon 5-door and SP into a bold statement with this pack developed in collaboration with ABT —the ultimate expression of performance design. Inspired by the fierce DNA of the VZ TCR, it sharpens the car's attitude and adds a striking design character. Finishing touches like the CUPRA logo in Dark Chrome bring a distinctive flair that completes its commanding presence.

A SHARPER LOOK

Make every ride stand out with this comprehensive aero design pack. The front splitter sets a sharp tone, the sculpted side skirts create a lower visual stance, and the roof spoiler, winglets, C-flap mouldings and re-imagined lower diffuser with lateral accents push the car's attitude to a whole new level.

19" CUSTOM ALLOY WHEELS

With their multi-spoke design in Sport Black Matt, the exclusive CUSTOM 19-inch alloys give the car a bold, unmistakable edge. Paired with wider tyres (245mm) exclusive to the VZ, they enhance driving dynamics while adding a distinctive presence to the car's personality.

Our global range of cars and product specifications varies from country to country. Please, visit your local CUPRA website to know more about the product offer available for you.

CUPRA CONNECT

The pinnacle of integrated driving is CUPRA CONNECT, melding the 12.9" Navigation System's online capabilities to journey through life with real-time maps, entertainment, and voice commands, while enjoying the ability of finding and paying for parking from your own car with Park & Pay*.

MY CUPRA APP

With My CUPRA app, remote access to your vehicle is effortless, offering control and monitoring for a smarter driving lifestyle.

SIMPLE & REALIABLE ASSISTANCE

Gain peace of mind knowing that you're always a call away from assistance.

EASY NAVIGATION, SAFE DRIVE

Drive safe and stay informed about everything ahead—From traffic updates and parking availability to petrol aids and charging solutions. Experience a truly connected journey.

* Park & Pay is not available in all markets. It may vary from country to country. Please visit your local CUPRA website for more information on available products and services.

Our global range of cars and product specifications varies from country to country. Please, visit your local CUPRA website to know more about the product offer available for you.

LEISURE

In the CUPRA Leon, leisure is redefined as an exquisite journey, elevating beyond mere relaxation to an art form where every moment is an exploration of pure joy. This is a space where passion fuels every journey, transforming routine trips into thrilling escapades.

Join us in this pursuit, where every drive invites you to immerse yourself in the moment, leaving lasting memories on the open road.

Our global range of cars and product specifications varies from country to country. Please, visit your local CUPRA website to know more about the product offer available for you.

ACCESSORIES

SNOW & WINTER READY: SKI RACK XTENDER

A Sliding mechanism makes loading quicker, easer and safer. It can carry 5 pairs of skis or 2 snowboards. Soft rubber pads protect the skis during transport.

SEPARATION GRILLE

Keep your best friend safe and happy, and your car protected on every adventure with this separation grille.

ELEVATED ELEGANCE: ROOF BARS

The CUPRA Leon's roof bars blend functionality with finesse, providing a robust platform for adventure while accentuating its sleek silhouette.

BIKE RACK

Transport your bike easily and safely in your CUPRA with this roof bike rack. Don't worry about anything—just load up your gear and enjoy the ride!

Our global range of cars and product specifications varies from country to country. Please, visit your local CUPRA website to know more about the product offer available for you.

CUPRA CARE: INTEGRATED COVERAGE FOR YOUR WELL-BEING

Taking care for your CUPRA to the next level with a plan designed to suit a car as unique as yours. It offers cost advantage since different products are combined in a single package and exclusive services developed specifically for the CUPRA Customer.

WARRANTY EXTENSION

Extend your 2-year CUPRA manufacturer's warranty for an additional 1, 2, or 3 years, or up to 150,000 km, whichever comes first. For newly purchased cars, this extended warranty is already included, ensuring your satisfaction from the start.

SERVICE AND MAINTENANCE PACKAGES

Cover all essential maintenance and routine inspections recommended by the manufacturer with this plan. Common services include oil changes and the timely replacement of filters, depending on your CUPRA Leon's age and mileage.

CUPRA MOBILITY SERVICES

Whether your car needs a tow or its battery runs out, rely on our enduring 24/7 roadside assistance, valid for 10 years. Available throughout the EU and neighboring nations, with the added bonus of 2 free years upon your CUPRA purchase.

RELAX INTO THE IMPULSE

CUPRA Insurance, custom-designed for your vehicle, ensures year-round protection. With 24-hour support and repairs in official workshops using genuine parts, you're quickly back on track. Plus, in case of vandalism or theft, a courtesy car is guaranteed.

FOR SAFER CARS EURO NCAP TEST 2025

Euro NCAP has awarded the CUPRA Leon 5D and CUPRA Leon SP a maximum safety rating of 5 stars.

Our global range of cars and product specifications varies from country to country. Please, visit your local CUPRA website to know more about the product offer available for you.

ENVIRONMENTAL INFORMATION

LIGHTING

Headlamps and rear lamps are 100% LED, increasing life service by up to 10 times. For headlamps, power consumption is significantly reduced at least 30%, and the luminous flux effectiveness is increased at least 30% in comparison to a halogen lamp.

RECYCLED MATERIALS

Seat bucket (no leather) configuration: In its central area contains microfiber Dinamica® with 73% of recycled polyester (pre-consumer and post-consumer origin).

Seat cupbucket configuration: In its central area contains microfiber Dinamica® with 73% of recycled polyester (pre-consumer and post-consumer origin).

Carpets contain a minimum of 40% recycled nylon ECONYL® yarn (nylon from discarded fishing nets and textile fibres from old carpets).

ENGINES

2.0l Diesel engines allow the use of R100 fuel. R100 is made from 100% renewable raw material (Hydrotreated Vegetable Oil, HVO). Compared with conventional diesel fuel, the production of R100 results in at least 83% lower CO_2 emissions, based on lifecycle emissions during fuel production.

ZERO EMISSION (E-HYBRID)

An indicator that displays the distance driven with zero tailpipe emissions in e-mode.

E-RANGE MONITOR (E-HYBRID)

Informs the driver of the increase in range of electric-only engine when combustion -only is off.

GEOFENCING (PHEV)

This technology ensures an automatic shift to 100% electrical driving, when detecting the entrance of the vehicle into low-emission urban zones. This means zero tailpipe emissions driving, which contributes to improving air quality in cities and protecting public health.

AI Generated.

TRIBE EDITION

RECYCLED MATERIALS

Plastic components for both the exterior and interior of the cabin, containing at least 30% recycled material, including parts like bumper components and interior linings.

Aluminium rims containing 20% recycled material.

Seat fabrics:

3D Knitting technology:
3D Knitting technology achieves a 100% waste reduction, by using exactly the amount of material needed for each production. The fabrics in the central part of the front and rear lateral seats are made using 3DKnitting technology and contain 100% recycled material.

Others:
The fabrics on the lateral and back of the front seats, as well as the central parts of the rear side seats, contain at least 36% recycled material.

BIO-BASED MATERIALS

Console trim area and inner frame air diffusers are painted with the new paint Sulfur Green by Mankiewicz. This paint introduces a new, innovative colour in the interior of the vehicle and is formulated with 15% of bio-based material.

SEAT S.A.'s environmental mission: contributes to climate protection, resource conservation, ecosystem preservation, and compliance with environmental regulations.

Our global range of cars and product specifications varies from country to country. Please visit your local CUPRA website to know more about the product offer available for you.

TECHNICALS

In the realm of CUPRA Leon, technical prowess is more than mere numbers; it's a symphony of engineering achievements. Here, every detail sings of dedication to excellence, marrying power with sustainability, efficiency with passion. This is where state-of-the-art transmission systems and optimized fuel consumption converge, creating a driving experience that connects you with the heart of the road.

Cylinder/Valve (Total)	4 / 16
Displacement (cc)	1.498
Cylinder bore and stroke (mm)	74.5 / 85,9
Compression ratio	11.5
Maximum power (kW (PS)/rpm)	130 (177) / 5,500 – 6,000
Maximum torque (Nm/rpm)	250 / 1,550 – 4,000
Fuel supply system	TSI Direct Injection
Ignition	Electronic map-controlled ignition
Atmospheric/Supercharged	Turbo charged
Fuel type	ROZ 95
Oil capacity in initial fill (l)	4.8
Battery (Ah/A)	59 / 380

Our global range of cars and product specifications varies from country to country. Please, visit your local CUPRA website to know more about the product offer available for you.

ELECTRIC ENGINE / CHARGING SYSTEM

	1.5 e-HYBRID 272 HP (200 KW) DSG-6 START/STOP CUPRA LEON VZ | CUPRA LEON SPORTSTOURER VZ
Maximum power (kW (PS))	85 (116)
Maximum torque (Nm)	330
Battery type	NMC
Number of cells	96
Nominal Pack Voltage (V)	353
Maximal Pack Voltage (V)	408
Battery capacity (kWh)	25.8
Charging time AC 11 kW 0-100% SoC min	150
Charging time DC up to 50 kW 10-80% SoC min	26

SYSTEM

Max. power (kW (PS))	200 (272)
Max. torque (Nm)	400

PERFORMANCE

Maximum speed [km/h]	229 [5.G]
Acceleration 0-80 km/h (s)	5.3 | 5.5
Acceleration 0-100 km/h (s)	7.1 | 7.3
Acceleration 80-120 km/h (s) in max. speed gear	7.4 | 7.6
Acceleration 0-1000 m (s)	28.3 | 28.6

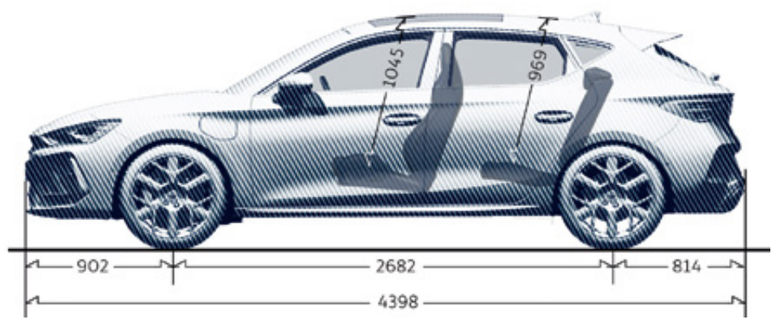

FUEL CONSUMPTION

	1.5 e-HYBRID 272 HP (200 KW) DSG-6 START/STOP CUPRA LEON VZ | CUPRA LEON SPORTSTOURER VZ
Charge sustaining mode WLTP (l/100)	5.3 - 5.5 | 5.4 - 5.5
Combined WLTP (l/100)	1.4 - 1.5 | 1.4 - 1.5

ELECTRIC CONSUMPTION

Electric consumption combined WLTP (kWh/100km)	13.4 - 13.6 | 13.5 - 13.8
Electric range WLTP (km)	125 - 121 | 124 - 120
Total range WLTP (km)	860 - 840 | 850 - 830

Our global range of cars and product specifications varies from country to country. Please, visit your local CUPRA website to know more about the product offer available for you.

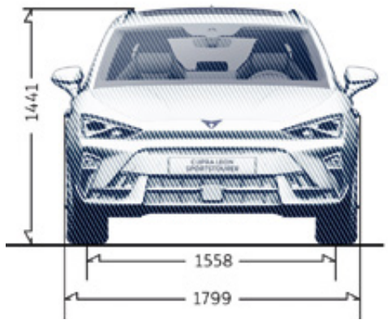

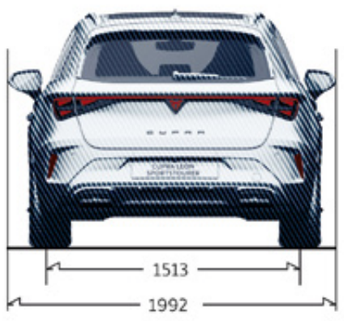

CHASSIS

	1.5 e-HYBRID 272 HP (200 KW) DSG-6 START/STOP CUPRA LEON VZ | CUPRA LEON SPORTSTOURER VZ
Front suspension	Independent type McPherson - coil springs - hydraulic shock absorber[DCC equipment (Adaptive chassis control)
Rear suspension	Multilink axle, coil springs and hydraulic shock absorber DCC equipment (Adaptive chassis control)
Steering System	R-EPS (Rack Electric Power System); Progressive steering
Turning diameter (m)	10.8
Brake system	Dual hydraulic circuit and brake system diagonal split with brake booster
Front and rear brake type	Front and rear ventilated disc brakes
Front brakes (mm)	CUPRA brakes: 340×30 Performance brakes: 370×32
Rear brakes (mm)	310×22

WHEELS

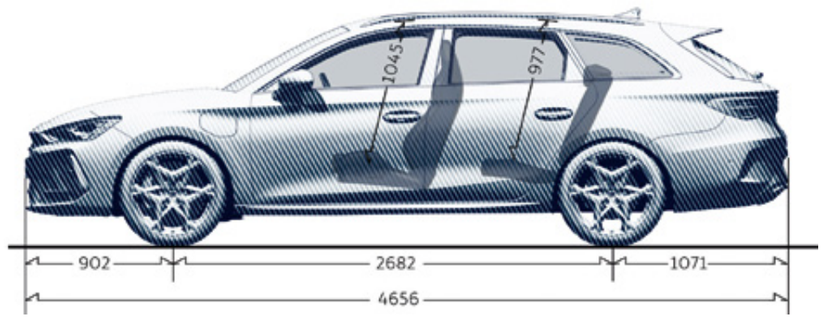

Rims	7.5J×18 ET46; 8J×19 ET49; 8J×19 ET43
Tyres	225/40 R18; 235/35 R19

PACKAGE (IN RUNING WITHOUT DRIVER)

	1.5 e-HYBRID 272 HP (200 KW) DSG-6 START/STOP CUPRA LEON VZ | CUPRA LEON SPORTSTOURER VZ
Body Type	CUPRA Leon VZ e-HYBRID | CUPRA Leon Sportstourer VZ e-HYBRID
Length/width/height (mm)	4,399 / 1,799 / 1,441 | 4,656 / 1,799 / 1,441
Wheelbase (mm)	2,682
Front/Rear track (mm)	1,545 / 1,519 | 1,564 / 1,519
Boot capacity (l)	270 | 470
Fuel tank capacity (l)	40

WEIGHTS

	1.5 e-HYBRID 272 HP (200 KW) DSG-6 START/STOP CUPRA LEON VZ | CUPRA LEON SPORTSTOURER VZ
In running order with driver (kg)	1,708 | 1,756
In running order with driver (kg) Front/Rear	950 / 758 | 934 / 822
Maximum weight allowed (kg)	2,150
Max. towing weight without brake (kg) (*)	- | 750
Max. towing weight with brake 8% (kg)	- | 1.700
Max. Towing weight with brake 12% (kg)	- | 1.700
