WE BELIEVE IN ANOTHER WAY
TO DRIVE. TO FEEL THE ROAD
WITHOUT TAKING A SINGLE CURVE
FOR GRANTED. TO VALUE EVERY
SINGLE DETAIL. FROM THE WHEEL
RIMS TO THE REAR COAST TO COAST
LIGHTS. WE BELIEVE IN THOSE WHO
ASK IF A BUCKET SEAT IS REALLY
NECESSARY, OR IF 310 HORSES IS
TOO MUCH. BECAUSE THE NEW
CUPRA FORMENTOR IS NOT FOR
THOSE WHO NEVER QUESTION.
BUT FOR THOSE WHO DO, AND
STILL DECIDE TO GO AHEAD.

Our global range of cars and product specifications varies from country to country.
Please, visit your local CUPRA website to know more about the product offer available for you.

ANOTHER WAY TO OBSERVE

BEAUTY. YOU CAN ARGUE ABOUT IT, OR YOU CAN ENJOY IT. BECOME ANGRY WHEN OTHERS CANNOT SEE THE SAME BEAUTY THAT YOU DO, OR UNDERSTAND THAT IT IS PRECISELY THE SUBJECTIVENESS OF BEAUTY THAT MAKES IT ETERNAL. ONE PERSON, ONE BEAUTY. UNTIL THE END OF TIME. THIS OTHER BEAUTY, WITHOUT LIMITS OR RESTRICTIONS, HAS LITTLE TO DO WITH THE OBJECT BEING OBSERVED, AND EVERYTHING TO DO WITH THE EYES THAT LOOK UPON IT.

ISN'T THAT BEAUTIFUL?

Our global range of cars and product specifications varies from country to country.
Please, visit your local CUPRA website to know more about the product offer available for you.

EXTERIOR STYLING

Our global range of cars and product specifications varies from country to country.
Please, visit your local CUPRA website to know more about the product offer available for you.

↓ *THE CUPRA
FORMENTOR*

Pure CUPRA. Complete adrenaline.

Our first bespoke CUPRA model — with our high-performance values at the very core.

A more exclusive, contemporary vision of sportiness. Expertly instilled into an exquisitely sleek, bold design. True timeless modernity for seekers of another way.

Our global range of cars and product specifications varies from country to country.
Please, visit your local CUPRA website to know more about the product offer available for you.

↑ *ANOTHER WAY
FORWARD*

Feel the unique power of finely crafted performance. With a superior selection of distinctive wheels, like the majestic 19" Copper and Sport Black rims, offering the ultimate in CUPRA exclusivity.

↑ LET THE LIGHT IN

With a panoramic, electric sunroof that spans the entire length and width of the cabin. Illuminating the CUPRA Formentor's interior and allowing you to sit back in pure natural light.

Our global range of cars and product specifications varies from country to country. Please, visit your local CUPRA website to know more about the product offer available for you.

↓ TOP CLASS FRONT END

Exquisite forward-facing design. Featuring a bolstered bonnet with a robust front grille and enlarged air intakes for increased horsepower.

→ UNMISTAKABLE LOOK

Sharp sophistication and brighter long-life illumination technology. The CUPRA Formentor's front LED headlamps cut a distinctly CUPRA profile.

↓ A UNIQUE POSITION

Before you even step into the cabin, the CUPRA Welcome light projects the CUPRA logo down onto the floor. A statement of higher power, reminding you that you're part of the CUPRA tribe, every time you return to your CUPRA Formentor.

↑ THE POWER OF DESIGN

Featuring an integrated coast to coast light at the rear, accentuating the CUPRA Formentor's sporting prowess and welcoming you as you approach.

Our global range of cars and product specifications varies from country to country.
Please, visit your local CUPRA website to know more about the product offer available for you.

INTERIOR STYLING

↓ *SENSORY FILLING
INTERIOR*

Crafted with meticulous quality throughout the cabin. The best materials and the most innovative technology to give you a refined driving experience.

↑ *IMMERSIVELY DRIVEN*

Everything you need, right at your fingertips. A huge 12" infotainment screen with an integrated navigation system. And a customisable 10.25" Digital Cockpit so you have all the information you need in your line of vision.

Our global range of cars and product specifications varies from country to country.
Please, visit your local CUPRA website to know more about the product offer available for you.

↑ *POWER IN YOUR HANDS*

Take complete control. The leather wrapped CUPRA steering wheel with copper stitching provides a premium feel, allowing you to access a full range of driving and infotainment functions without lifting a hand from the wheel.

Our global range of cars and product specifications varies from country to country. Please, visit your local CUPRA website to know more about the product offer available for you.

↓ *MOOD SETTING*

A different feeling for every journey. Select from a range of ambient hues and light up the interior the way you want.

→ CUP BUCKET SEATS

The all-new CUP Bucket seats engineered to transform your drive experience. Expertly crafted to offer optimum lateral support, with a race-inspired curvature that reinforces comfort on all roads. Embrace premium sportive design with stylistic cooling vents and sophisticated Copper stitching for a timeless look. Available in your choice of Genuine Black Leather or Genuine Petrol Blue Leather.

↘ TRACK-READY DETAILS

Optimised performance, exclusive aesthetic. Dark Aluminium pedals with matching footrest combine rubber to provide extra grip, enhancing sportive driving with a uniquely sophisticated twist.

Our global range of cars and product specifications varies from country to country. Please, visit your local CUPRA website to know more about the product offer available for you.

CUPRA FORMENTOR

ANOTHER WAY TO MOVE

YOU GO RUSHING THROUGH LIFE. YOU WANT EVERYTHING IMMEDIATELY, AND HATE TO WAIT. BUT MAKE NO MISTAKE. HASTE HAS LITTLE TO DO WITH SPEED. HASTE IS YOUR ENEMY. IT MAKES YOU ARRIVE WITHOUT ENJOYING THE JOURNEY. SPEED, CONTRARY TO WHAT MANY PEOPLE THINK, IS NOT ABOUT WHO ARRIVES FIRST. IN FACT, IT'S NOT EVEN ABOUT ARRIVING. IT'S ABOUT MOVING SO FAST THAT YOU CANNOT PERCEIVE A DIFFERENCE BETWEEN THE ROAD AND YOURSELF. CHOOSING THE LONG WAY. KNOWING THERE IS ANOTHER WAY TO DO THINGS. TO STOP ASKING: "DO I REALLY NEED THIS POWER?", AND START ANSWERING:

"I'LL FIND OUT WHEN I ACCELERATE".

↑ *FEEL ALIVE*

Hit 100km/h in just 4.9 seconds with a powerful 310hp engine, enabling up to 250km/h. All the optimum specs you can expect from the CUPRA Formentor.

Our global range of cars and product specifications varies from country to country. Please, visit your local CUPRA website to know more about the product offer available for you.

↓ *PRIME STOPPING POWER*

Harness full control with the award-winning, ventilated Brembo disc brakes.

↑ DCC WITH CUPRA DRIVE MODE

Fine tune the CUPRA Formentor's suspension, brakes and pedal sensitivity. And switch over to the CUPRA Drive Mode to revel in its high-performance power: modifying your setup to create a more exhilarating driving experience and enhancing the roar of the engine.

Our global range of cars and product specifications varies from country to country. Please, visit your local CUPRA website to know more about the product offer available for you.

↓ SATELLITE BUTTONS

The racing inspired satellite buttons around the CUPRA steering wheel allow you to shift between drive profiles with ease.

↓ *THE BEST OF
BOTH WORLDS*

Moving towards electrification is not about compromising, it's about having the freedom to drive without restrictions. The CUPRA Formentor e-HYBRID gives you full electric range of 60 km* to explore the inner city and switches seamlessly to petrol when you need to go further.

↑ *A NEW ERA OF
PERFORMANCE*

With a hybrid engine capable of delivering 205hp, The Formentor e-HYBRID boasts all the style and attention to detail you'd expect from a CUPRA, with 18" alloys and sport seats fitted as standard. While the Formentor VZ e-HYBRID adds robustness to its 245hp engine, 19" rims and bucket seats, for an even sportier drive.

Our global range of cars and product specifications varies from country to country. Please, visit your local CUPRA website to know more about the product offer available for you.

* The accurate range for your vehicle will vary according to a number of different factors which include the route, weather conditions, vehicle load (occupants + luggage), battery age and condition, optional equipment (alloys, tyres, etc.), the use of peripheral energy consumption systems such as heating, air conditioning and heated seats, as well as your driving style.

The indicated range has been calculated in compliance with WLTP standards, which set out test conditions applicable to all car manufacturers to ensure the comparability of these tests for all vehicles.

CUPRA CHARGER

WITH 3 CHARGERS TO CHOOSE FROM, ALL WITH EASY INSTALLATION AT YOUR HOME. UP TO 8 TIMES FASTER THAN A CONVENTIONAL SOCKET, WHILE PREVENTING ELECTRICAL OVERLOAD. FULLY CHARGE YOUR CUPRA FORMENTOR IN APPROXIMATELY 3H 40MIN.

Our global range of cars and product specifications varies from country to country. Please, visit your local CUPRA website to know more about the product offer available for you.

CUPRA CHARGER

The best solution to charge safely, easily and quickly. Available in 1ph and 3ph versions for up to 11kW AC.

CUPRA CHARGER CONNECT

Connects to your home network for remote functionality. Letting you check updates & data via your smartphone.

CUPRA CHARGER PRO

All the benefits of the CUPRA Charger Connect adding LTE connectivity & a certified MID electric meter.

↓ CUPRA FORMENTOR VZ

The CUPRA Formentor's most powerful trim, named in reference to the Spanish word "Veloz", meaning "fast". The CUPRA Formentor VZ trim offers high-performance powertrain options. Coming with 19" alloy wheels, a 12" Navigation system, autonomous assistance technology and performance supporting bucket seats as standard. With the option of upgrading further to add Brembo brakes for a more exclusive feel.

↓ CUPRA FORMENTOR

The CUPRA Formentor trim offers a range of powertrain options starting from 150HP. All come with 18" alloy wheels, Sports seats, a 10" central screen and full LED headlights featuring a built-in welcome ceremony. With the option to add multiple autonomous assistance technologies to its setup.

Our global range of cars and product specifications varies from country to country. Please, visit your local CUPRA website to know more about the product offer available for you.

Our global range of cars and product specifications varies from country to country.
Please, visit your local CUPRA website to know more about the product offer available for you.

ANOTHER WAY TO GO FURTHER

FURTHER IS NOT A PLACE. IT IS A WAY OF FACING THE ROAD AHEAD. RELISHING THE FINAL OBJECTIVE, BY FINDING NEW WAYS TO GET THERE. SOMETIMES IT MEANS OVERTAKING THE REST, EVEN LOSING YOUR WAY, IN ORDER TO GET BACK ON TRACK AGAIN. GOING FURTHER IS KNOWING THAT ANOTHER WAY TO DRIVE IS POSSIBLE. OPENS THE ROAD.

IT OPENS THE MIND.

THE CUPRA FORMENTOR HAS BEEN AWARDED THE MAXIMUM 5-STAR SAFETY RATING BY EURO NCAP.

→ *TRAVEL ASSIST*

Fully on track. Travel Assist automatically keeps you in the right lane, keeping the distance with the vehicle in front autonomously.

→ *LANE ASSIST*

With corrective steering technology, Lane Assist keeps you in your chosen lane. Making an effective contribution towards accident prevention.

← *ADAPTIVE CRUISE CONTROL PREDICTIVE*

Makes sure you keep to the right speed at all times. Using maps, as well as the Traffic Sign Recognition function to integrate speed limits, stop signals and road signs en route.

← *TRAFFIC SIGN RECOGNITION*

The integrated front camera lets you see coming speed limits and overtaking restrictions via your Digital Cockpit.

← PEDESTRIAN PROTECTION

Complete safety.
The CUPRA Formentor
stops automatically to
protect pedestrians.

← FRONT ASSIST

Front Assist helps to
prevent collisions by
stopping automatically
if an obstacle is
detected.

→ EXIT WARNING

When pulling out
of a spot or getting
out of the car, Exit
Warning alerts you
of any oncoming
traffic or pedestrians
nearby, so you can
always leave safely.

→ REAR TRAFFIC ALERT

When reversing out
of a tight parking
space, the Rear Traffic
Alert scans your blind
spot, recognising
vehicles approaching
in cross-traffic behind
you. The system
will warn you, and if
you don't react, can
even initiate brake
intervention.

↖ 12" NAVI SYSTEM

Always located. Navigate via the 12" touchscreen with connected mapping services. And with Wireless Full Link, your smartphone seamlessly syncs up so you can display your favourite apps and functions on screen.

← BEATS AUDIO

Feel more alive with every ride. The CUPRA Formentor's BeatsAudio™ System is powered by an impressive 340W amplifier, giving you full high-fidelity sound.

Our global range of cars and product specifications varies from country to country. Please, visit your local CUPRA website to know more about the product offer available for you.

↑ 10.25" DIGITAL COCKPIT

Front and centre. The 10.25" Digital Cockpit displays all the detail you need, right in your line of vision.

↘ CONNECTIVITY BOX

Easy technology. Place your smartphone in the Connectivity Box to amplify signal, charge seamlessly and sync to play music via the premium BeatsAudio™ system.

→ TOP VIEW ¹

Master the art of parking with Top View: a birds-eye view, allowing you to get into even the tightest spot.

→ AUTONOMOUS PARKING

The CUPRA Formentor makes straightening up a stress-free and hands-free process. With advanced functions like Park Assist, simply select a space and let your car guide you in autonomously.

← KESSY

Convenient and streamlined. The KESSY wireless unlocking system makes accessing your CUPRA Formentor a keyless experience.

← A WARM WELCOME

The Parking Heater lets you heat up your engine remotely before even stepping in. The perfect solution on colder days.

CUPRA CONNECT

ALWAYS WELL INFORMED WITH CUPRA CONNECT: RECEIVE REAL-TIME TRAFFIC UPDATES AND DIRECTIONS WHILE SEAMLESSLY CONNECTING TO YOUR SMARTPHONE TO UTILISE APPS AND LISTEN TO MUSIC SERVICES ON THE MOVE.

↑ REMOTE ACCESS

Control, track and access the CUPRA Formentor remotely via your computer or mobile app. So, you can stay up to date on driving data and stats from anywhere.

Our global range of cars and product specifications varies from country to country. Please, visit your local CUPRA website to know more about the product offer available for you.

↑ ALWAYS BY YOUR SIDE

In the unlikely event of an accident, the Emergency Assistance function will put you automatically in contact with local emergency services.

↓ ONLINE INFOTAINMENT

Access real-time traffic updates and directions and listen to Apple Music on the move.

ENVIRONMENTAL INFORMATION

AIR QUALITY

Diesel engines incorporate an optimised exhaust gas treatment, the Selective Catalytic Reduction system (SCR), with AdBlue® twin dosing to further minimize nitrogen oxide emissions.

LIGHTS

Headlamps and rear lamps are 100% LED, reducing significantly power consumption and increasing life and effectiveness of the lights.

RENEWABLE AND RECYCLED MATERIALS

Use of renewable materials (cotton, natural rubber and cellulose) and recycled materials (plastics) in various parts of the vehicle.

TYRES

Low rolling resistance tyres provide a reduction of the rolling resistance coefficient.

BRAKES

Incorporation of RBO technology (which reduces the residual brake torque between the brake pad and disc), permits an emissions reduction of up to 1g CO₂/100km.

AERODYNAMICS

Improved and enhanced vehicle aerodynamics, thanks to optimised design throughout the bodywork, wheels and cooling system.

BODYWORK

Use of ultra-high strength steel, which together with hot stamping technology, permits a reduction in thicknesses and weight without loss of performance.

ACOUSTICS

All versions incorporate a double-seal system on the doors, which reduces noise levels and enhances comfort.

SEATS

The use of new PUR foam formulations reduces the emission of volatile organic compounds (VOCs) in the cabin interior by up to 50%.

ENGINES

e-HYBRID: The all-electric motor in the e-HYBRID engine enables zero emission driving in electric mode.

MANUFACTURING PROCESS

In the period from 2010 to 2020, we have reduced the CO₂ emissions of every car manufactured by 45%, while also cutting energy consumption per car by 1%. Additionally, we've achieved a 28% saving in water consumption per car, and 64% reduction in waste generated per car.

Recovery of part of the heat emitted during the incineration process of paint drying ovens, for use as air conditioning, heating process baths or absorption machine is also helping to save energy.

E-RANGE MONITOR

Informs the driver of the increase in range of electric-only engine when switching off.

ZERO EMISSIONS

An indicator that shows the distance driver with zero emissions using electric-only mode.

INTELLIGENT HYBRID

A function that helps the driver to conserve and optimise electrical power based on the planned route.

TECHNICAL SPECIFICATIONS

Discover all the technical specifications by engine type, from emissions and consumption data; to performance statistics and transmission types.

Here you'll find all the technical aspects covered so you can make an informed selection when it comes to your CUPRA Formentor.

Our global range of cars and product specifications varies from country to country. Please, visit your local CUPRA website to know more about the product offer available for you.

* The accurate range for your vehicle will vary according to a number of different factors which include the route, weather conditions, vehicle load (occupants + luggage), battery age and condition, optional equipment (alloys, tyres, etc.), the use of peripheral energy consumption systems such as heating, air conditioning and heated seats, as well as your driving style.

The indicated range has been calculated in compliance with WLTP standards, which set out test conditions applicable to all car manufacturers to ensure the comparability of these tests for all vehicles.
