AN ELECTRICAL FORCE WITHIN US DRIVES US TO SEEK NEW EXPERIENCES WITH AN UNPRECEDENTED INTENSITY, GOING BEYOND THE NORM WITH BOLD CONVICTION. THIS FORCE, THE VIBRANT IMPULSE OF A NEW GENERATION, PROPELS US FURTHER WITH REVOLUTIONARY PERFORMANCE AND THE ELECTRIFYING THRILL OF INNOVATION. AS WE TRANSITION INTO AN NEW ERA MARKED BY A DEFIANT SPIRIT, A NEW FORCE AWAKENS WITHIN US, DELIVERING AN EXHILARATING SENSATION FELT DEEPLY WITHIN.

BEAUTY

Beyond the eye of the beholder, it defies expectations with powerful provocation. It's unprecedented. A challenger of the status quo that travels deep and wide, it shakes up the systems and goes against the grain. Both transcendental and tenacious, it's engineered for those who dare – a rebellion against the ordinary. Moving with purpose, it's a rebel with a cause. For the visionaries, dreamers and the doers – because it's not just about the destination, but the beauty of the journey that's born to inspire.

EXTERIOR STYLING

A BOLD LOOK

Eye-catching style from every angle. Echoing the sleek lines and character of the model, the rear bumper is shaped to bring out the strength of the CUPRA Born's challenger spirit.

DISTINGUISHED APPEAL

The CUPRA logo illuminates the ground when unlocking the vehicle, marking your place in the CUPRA Tribe.

ILLUMINATION THAT THRILLS

The coast-to-coast rear light highlights the CUPRA Born's signature exterior with LED technology and impressive display when approaching the vehicle.

A SHOW IN ITSELF

A bright show upon unlocking, providing dynamic style, as well as a warm welcome.

INTERIOR STYLING

BASK IN THE SUN

Stretch out in full comfort of contemporary, sustainable design. The Bucket Seats come upholstered in DINAMICA® fabric made using recycled materials, while the Panoramic Sunroof maximises the natural light of your interior.

LOOKING AHEAD

Intuitive digitalisation at its core. The CUPRA Born houses a 12.9" floating touchscreen. And the 5.3" Digital Cockpit displays only clear, relevant information along with the gearshift buttons and parking brake.

POWER

Power is the driving force that awakens us all,
an indelible impression that pushes the boundaries.
An exhilarating rush of emotion that reverberates –
transcending the ride, inspiring a new generation.

Our global range of cars and product specifications varies from country to country. Please, visit your local CUPRA website to know more about the product offer available for you.

BATTERIES

Maximum torque meets instant acceleration with CUPRA's first 100% electric vehicle. Our fully electric engines are designed to make you feel a dynamic performance from the start.

AN ELECTRIFYING EXPERIENCE

The e-Sound system, specially customised by CUPRA, delivers signature character and emotion, emitting an exterior sound that lets pedestrians know you're around.

UNLEASHED CONTROL

An exhilarating driving experience. The CUPRA Born adjusts suspension to smoothly adapt to every bump and curve.

WHAT IS e-BOOST?

The e-Boost function delivers a surge of instant power, an electrifying impulse – maximising acceleration and performance of the CUPRA Born – at the push of the button.

HOW IS e-BOOST ACTIVATED?

Activate e-Boost for power increase and instant acceleration by pushing the satellite button, stepping all the way down on the accelerator or via the Drive Profile menu.

CUPRA BORN VZ

ELECTRIFYING VELOCITY,
A TRANSFORMATIVE IMPULSE. BOOSTED
PERFORMANCE, BORN TO INSPIRE. WITH
240 KW OF POWER AND 545 NM OF
TORQUE, IT REACHES TO 100 KM/H IN JUST
5.6 SECONDS, IGNITING A JOURNEY TO
A TOP SPEED OF 200 KM/H. DYNAMIC AND
DARING 20" ALLOY WHEELS.

ENCELADUS GREY CUP BUCKET SEATS

Sporty electric CUP Bucket Seats with memory function and heating. Made of SEAQUAL yarn and 73% recycled DINAMICA material. The backrest is made of 100% recycled natural flax fibre.

SMARTLIGHT AND STEERING WHEEL WITH PADDELS

Enjoy ultimate control with the new CUPRA steering wheel paddles and satellite buttons. Adjust the regenerative braking to suit your preferences, switch modes or activate eBoost.

DCC SPORT SUSPENSION IMPROVEMENT

New dampers and springs combine with the front's updated damper valve settings and spring design – with updated anti-roll bars to deliver DCC Sport suspension, enhancing vehicle control.

POWER YOUR JOURNEY

Born to challenge the status quo. A reinvigorating rebellion, an impulse that moves us in new ways, at home or on the go. Discover CUPRA charging solutions through the My CUPRA app and transform your journey.

EURO NCAP

Euro NCAP has awarded the CUPRA Born a maximum safety rating of 5 stars.

PUBLIC CHARGING ACCESSIBILITY

Recharge your Born easily with a growing network of charging stations in city centres, suburbs, and beyond. Discover the new Plug&Charge feature that removes the hassle of using apps or RFID cards. The CUPRA Charging Map navigation function was designed to help you find stations and plan trips for maximum convenience.

HOME CHARGING SOLUTIONS

Experience ease with CUPRA's home charging solutions. Use the My CUPRA app to remotely control charging, manage your home charger and be always ready to go.

CUPRA CHARGER 2

Revolutionizing the way you charge your CUPRA. This new version conveys the idea of utilizing the full potential of the CUPRA Born's up to 11kW AC* charging capabilities, including Wifi and remotely connectivity. Smart functions optimize charging based on solar energy and electricity rates, reducing costs by up to 40%.

* The Charger is able to reach powers of up to 22kW covering the maximum charging power of your CUPRA. Charging times vary in relation to the following factors: external temperature, battery temperature, maximum voltage of your charger system and condition of charger and battery.

INNOVATION

Born to connect. Transgressive technology designed to inspire your every move, transforming your journeys in a new era of enhanced safety and efficiency. Electric dreams, now a reality.

ENROL WITH CUPRA CONNECT GEN4

Welcome advanced navigation and content as you drive, along with added security and a remote connection to your CUPRA Born via my CUPRA app.

EVERYTHING WITHIN REACH

Upgrade to the 12.9" Navi System with realtime navigation. Find charging stations and parking spots, pay directly with Park & Pay*, enjoy global radio and podcasts and control it all with voice commands.

A SMARTER CONNECTION

Remote lock & unlock, adjust AC, activate charging, check the car battery level, adjust lights and find where to park – all from your phone.

INNOVATION

Our global range of cars and product specifications varies from country to country. Please, visit your local CUPRA website to know more about the product offer available for you.

*Park & Pay is not available in all markets. It may vary from country to country. Please visit your local CUPRA website for more information on available products and services.

TECHNOLOGY

A NEW ERA FOR PERFORMANCE

Enjoy an immersive driving experience with state-of-the-art technology. The AR-HUD (Augmented Reality Head-up Display) overlays driving directions and warnings directly onto the windscreen.

ONE STEP AHEAD

Stay connected and informed on the go with CAR2X technology, sharing real-time traffic and road condition updates with you, from nearby sources to ensure your route is always the best one.

NO MORE BLIND SPOTS

Park with confidence with 360° view four-camera system and a 12.9" Infotainment display, offering a comprehensive view, eliminating blind spots and improving safety.

PARKING AT YOUR FINGERTIPS

Enjoy remote parking, effortlessly navigate narrow parking spaces. Control parking maneuvers seamlessly from your smartphone to ensure your CUPRA parks perfectly. Plus, with the added feature of location saving, your car can autonomously navigate to and park in your saved parking space.

SAFETY

ALWAYS AWARE

Exit Assist signals visually and audibly if traffic, like hard-to-see cyclists, approaches when you're exiting. A smart safety feature for every door.

BEHIND YOU ALL THE WAY

Rear Traffic Alert watches your back, warning or auto-braking when vehicles approach from behind as you reverse. A trusty co-pilot for tricky exits.

ALWAYS BY YOUR SIDE

Stay on course with Turning and Evasive Steering Assist, alerting or adjusting your path to dodge potential hazards. Your vigilant driving companion.

READY FOR ANYTHING

In the event of a collision, Pre-Crash Assist uses advanced sensors to prepare the vehicle by tightening seatbelts and closing windows if necessary.

ALWAYS IN LINE

Travel Assist eases driving with Adaptive Cruise Control and Lane Guidance, even on unmarked roads, ensuring a safer, automatic path selection*.

* Feature available with Travel Assist 2.5.

Our global range of cars and product specifications varies from country to country. Please, visit your local CUPRA website to know more about the product offer available for you.

LEISURE

Born for adventure. Enjoy a curated selection of accessories for your CUPRA Born whether for weekend escapes or daily commutes. Make your cupra evolve with you, on every journey. Follow your impulse.

Our global range of cars and product specifications varies from country to country. Please, visit your local CUPRA website to know more about the product offer available for you.

ACCESSORIES

POWER AT YOUR FEET

Maintain sturdy control. Sleek Dark Aluminium pedals are built to last, giving you endless performance along with all the grip you need.

NOT EVEN THE SMALLEST WORRY

Our semirigid boot tray comes in two versions, for normal or deeper trunks. Keep your space clean while doubling storage capacity for taller items, thanks to its innovative doublefloor design.

DOWN TO THE DETAIL

Keep your interior looking newer for longer with Adrenaline mats exclusively available for the Born VZ with Enceladus Grey CUP Bucket Seats. Black, blue and durable rubber mats are also available.

PROTECTION ALL THE WAY

Safety wherever you go. These specially designed front and rear mudflaps catch dirt, debris, mud or stones that may fly up from the road onto the underside or body of your car.

CUPRA e-CARE*

Drive with confidence. Discover comprehensive packages designed to accompany you on every electric journey. Keep your CUPRA Born's condition in check.

SMALL PACKAGE

Our basic pack covers all essential servicing – ideal for those who travel locally but still want to keep their CUPRA in tip-top condition.

MEDIUM PACKAGE

Tailored for the avid traveler, this package includes everything from the Small Package plus extended Warranty and Roadside Assistance.

LARGE PACKAGE

Our ultimate care package, offering comprehensive coverage including Tyre Replacement and Full Maintenance on top of Medium benefits.

WARRANTY EXTENSION

Extend your warranty up to 3 more years or 100,000 km. New CUPRAs come with this peace of mind included, ensuring continued excellence.

CUPRA MOBILITY SERVICES

Around-the-clock assistance, anywhere in the EU and beyond. Enjoy 2 years free with your new CUPRA, ensuring help is always on hand.

RELAX INTO THE IMPULSE

Drive with ease knowing CUPRA Insurance and our 24-hour support have you covered, with courtesy cars available for any major incidents.

Our global range of cars and product specifications varies from country to country. Please, visit your local CUPRA website to know more about the product offer available for you.

* e-CARE services may differ according to market.

ENVIRONMENTAL INFORMATION

Our global range of cars and product specifications varies from country to country. Please, visit your local CUPRA website to know more about the product offer available for you.

LIGHTING

Headlamps and rear lamps are 100% LED, increasing life service by up to 10 times. For headlamps, the luminous flux effectiveness is increased at least 30% in comparison to a halogen lamp.

RECYCLED MATERIALS

Use of 100% recycled polyester in ceiling lining. The housing of the headlamps is made with at least 50% recycled material.

Carpets contain a minimum of 29% recycled nylon ECONYL® yarn (nylon from discarded fishing nets and textile fibres from old carpets).

DRIVING

While driving manually with Comfort or Range driving profiles, when a foreseen event or a moving object ahead is detected, the ECO-Assist function enhances efficiency and comfort during deceleration by continuously determining the ideal coasting and/or automatic energy recuperation strategy. In certain situations, the function provides the driver with a visual event warning to lift their foot off the accelerator pedal, and if the driver reacts, the function takes over the anticipated deceleration based on the distance to the event. Driving with ECO-Assist function active saves energy and increases range.

CUPRA Drive Profile: This allows the customer to choose between different driving profiles that will change the vehicle's behaviour. One of these profiles is the RANGE, which, among other actions, adjusts the climate control and changes the propulsion parameters to reduce energy consumption.

SEAT S.A.'s environmental mission.
Protect Climate. Conserve Resources. Preserve Ecosystems. Ensure Environmental Compliance.

TECHNICALS

Explore the technical specifications of 2024's CUPRA Born. From emissions to transmission types, discover the vital statistics essential for informed decision-making. Get to know the key characteristics of the CUPRA Born's standard and optional equipment.

The values mentioned are the result of the type approval of the selected model, in accordance with Regulation CE 2018/858. The available power (kW) and acceleration of the model depends on the state of charge of the battery and its temperature. The accurate range for your vehicle will vary according to a number of different factors which include the route, weather conditions, vehicle load (occupants + luggage), battery age and condition, optional equipment (alloys, tyres, etc.), the use of peripheral energy consumption systems such as heating, air conditioning and heated seats, as well as your driving style. The indicated range has been calculated in compliance with the WLTP regulation which sets out standard test conditions applicable to all car manufacturers. This ensures that the values calculated in accordance with this regulation are comparable for all vehicles. Our global range of cars and product specifications varies from country to country. Please, visit your local CUPRA website to know more about the product offer available for you.
